

Alone (with Kristina Antuna)

Cosmic Gate

Can't breathe
Cause your like a wave crashing down on me
You leave and every single step takes a part of me
Your love is a mark on my history When you leave every single step takes a part of meOho
oho, Oho oho
Oho oho, Oho oho
Oho oho, Oho oho
Oho oho, Oho ohoSlow down
Can you feel this place here is holy ground?
Don't know who I'm gonna be if your not around
Your love is the best that I ever found
Don't know who I'm gonna be if you're not around
I don't wanna meet somebody new I'm not gonna start getting over you If you won't take me
home I'll be alone be alone
Cause you're the only one thats on my mind
And other things are a waste of time
If you won't take me home I'll be alone be alone
Oho oho, Oho oho
Oho oho, Oho oho
