

# Blue Angel (feat. Clairo) [Superorganism Remix]

Danny L Harle

Light a candle I'll follow  
I can't see in the dark  
I'm not ready to go  
I'm awake I can't stop, my teardrop falls like snow  
Falls like snow  
I can't stop, my teardrop falls like snow  
Falls like snow  
I can't stop, my teardrop falls like snow  
Hearts are frozen, no words to say  
I said I'd go and it's okay  
But I-I can't stop, my teardrop falls like snow (snow, snow)  
Falls like snow (snow, snow)  
I can't stop, my teardrop falls like snow (snow, snow)  
Falls like snow (snow, snow)  
I can't stop, my teardrop falls like snow (snow, snow) I was your blue angel  
I was your blue angel  
I was your blue angel  
I was your blue angel  
Falls like snow  
I can't stop, my teardrop falls like snow (I was your blue angel)  
Falls like snow (I was your blue angel)  
I can't stop, my teardrop falls like snow
