

# The Best of Both Worlds: The 2009 Movie Mix

## Hannah Montana

Oh yeah  
Come on You get the limo out front  
Hottest styles, every shoe, every color Yeah, when you're famous it can be kinda fun  
It's really you but no one ever discovers In some ways you're just like all your friends  
But on stage you're a star You get the best of both worlds  
Chill it out, take it slow  
Then you rock out the show You get the best of both worlds  
Mix it all together and you know that it's the best of both worlds The best of both worlds  
You go to movie premiers (is that Orlando Bloom?)  
Hear your songs on the radio  
Livin' two lives is a little weird (yeah)  
But school's cool cuz nobody knows Yeah you get to be a small town girl  
But big time when you play your guitar You get the best of both worlds  
Chill it out take it slow  
Then you rock out the show You get the best of both worlds  
Mix it all together and you know that it's the best of both  
(You know the best) You know the best of both worlds Pictures and autographs  
You get your face in all the magazines  
The best parts that you get to be who ever you wanna be Yeah the best of both  
You get the best of both  
Come on best of both  
Who would of thought that a girl like me  
Would double as a superstar You get the best of both worlds  
Chill it out, take it slow  
Then you rock out the show You get the best of both worlds  
Mix it all together and you know that it's the best, You get the best of both worlds  
Without the shades and the hair  
You can go anywhere You get the best of both girls  
Mix it all together  
Oh yeah  
It's so much better cuz you know you've got the best of both worlds
