

# C'est la Vie

## Shania Twain

It must be Monday! What a dumb day!  
Can't drag my butt outta bed  
Somebody stop me  
I need another coffee Like a hole in my head  
When everyday begins this way  
Gets you down and can drive you mad  
The daily grind can freak your mind But life isn't all that bad  
Don't let it get to you  
C'est la vie! That's life  
and that's how it's gonna be  
C'est la vie! Hold tight  
it comes right eventually, Oh Oh  
If only I could sleep in  
And wake up on the weekend  
Oh, what a dream that would be, yeah  
But fat chance for that one  
It ain't gonna happen  
Better get back to reality I could be a slob or keep my job  
That is the choice we have  
The daily grind can freak your mind  
But life isn't all that bad Don't let it get to you  
C'est la vie! That's life  
And that's how it's gonna be  
C'est la vie! Hold tight  
it comes right eventually, Oh Oh  
Everybody's got to do it!  
Everybody's got to earn their way  
Uh, come on now  
You gotta work your own way through it  
Everybody's got their dues to pay  
Yeah  
The daily grind can freak your mind But life isn't all that bad  
Don't let it get to you C'est la vie! That's life  
and that's how it's gonna be  
C'est la vie! Hold tight  
it comes right eventually, Oh Oh  
Yeah, yeah  
C'est la vie! That's life  
And that's how it's gonna be  
Uh, come on now  
C'est la vie! Hold tight  
it comes right eventually, Oh Oh
