

Authenticity

Harvey Danger

Ooo ooo, ooo ooo, ooo ooo, ooo ooo,
I have a stinger, I am a honey bee,
I am a razor, please cut your wrist with me,
You're super cunning, you flaunt your pedigree,
Clear as water, oh wa ah oh. I'm already spinning in my grave, (ooo-ooo-ooo)
I'm already spinning in my grave. (ooo-ooo-ooo) I am a subject of your documentary,
You have a question? I am the third degree,
I am authentic, I'm authenticity,
I'm no such thing, oh wa ah oh.
I'm already spinning in my grave, (ooo)
I'm already spinning in my grave, (ooo)
Oh wa ah oh. (wooo)(It's a damn shame)
I'm already spinning in my grave, (ooo)
I'm already spitting on your grave. (ooo)
Oh wa ah oh. I'm already spinning in my grave,
I'm already spinning in my grave.
