

# Spirit Move (Spontaneous)

## Bethel Music & kalley

I feel it in my bones You're about to move  
I feel it in the wind You're about to ride in  
You said that You would pour Your spirit out  
You said that You would fall on sons and daughters So like the rain come drench us in love  
Let Your glory rush in like a flood We are fixed on this one thing  
To know Your goodness and see Your glory  
We're transformed by this one thing  
To know Your presence and see Your beauty  
I can see it now Your kingdom come  
I can hear it now the sounds of heaven  
You said that if we ask we'll receive  
We are asking for the greater measure So like the rain come drench us in love  
Let Your power rush in like a flood We are fixed on this one thing  
To know Your goodness and see Your glory  
We're transformed by this one thing  
To know Your presence and see Your beauty  
So come and blow on through  
Spirit move we're ready for You  
To come and blow on through  
Come and do what only You can do
