

# In Tune

Kellee Maize

[Pre Hook]

I'm the Venus for your Mars  
I'm the healing for your scars  
I'm the nighttime for your stars  
You don't have to look so far  
Watering the family tree  
Ever after happily  
If the Earth falls to the sea  
In your arms is where I'll be [Hook 2x]  
We already are  
You and me  
Psychically in tune to the, stars

[Verse 1]

Sometimes we fight like cats and dogs  
But here we are giving it our all  
So many years in the making, but then forsaking, and forgetting  
Even for a moment, I am not betting on our demise  
I can see the future in your eyes  
I see the presence, ironic surprise  
When you go counter and I clockwise  
Thru the world's pain and all the lies  
We will grow a garden every time  
And if I harden, will you remind  
Me of the softness, I had in my prime  
If I seek will you help me find, and when I freak won't you be kind  
Know there's sometimes demons in the mind  
What can I say, it's hard being an interdimensional bride

[Pre Hook]

I'm the Venus your Mars  
I'm the healing for your scars  
I'm the nighttime for your stars  
You don't have to look so far  
Watering the family tree  
Ever after happily  
If the Earth falls to the sea  
In your arms is where I'll be

[Hook 2x]

We already are  
You and me  
Psychically in tune to the, stars [Verse 2]  
You might as well get used to this  
Death do us part, here healthy or sick

I got eternity to wait  
And I know I'm choosing my own fate  
And Even if I was, burned at the stake  
I would reincarnate  
Like a yogi in a lotus  
From the mud we are exploded  
I didn't walk to you, I floated  
When empty, you help me get reloaded[Pre Hook]  
I'm the Venus your Mars  
I'm the healing for your scars  
I'm the nighttime for your stars  
You don't have to look so far  
Watering the family tree  
Ever after happily  
If the Earth falls to the sea  
In your arms is where I'll be[Hook 2x]  
We already are  
You and me  
Psychically in tune to the, stars(Music break, Repeat pre hook & hook)
