Girl, head first, I'mma dive in (Dive in)
Open up, lemme climb in (Climb in)
And before the night's over (Over)
Make your knees touch your shoulders
I make your knees touch your shoulders
I make your knees touch your shoulders
I - Before the night's over (Over)
Make your knees touch your shoulders I'mma dive in, head first
You ain't gotta worry, I'mma do the leg work
I'mma swim in that thing all night
I don't need no bus, I can swim just right
Just say the word, I'mma be your pleaser
You can be my student girl, I'mma be your teacher
And make ya do a whole lotta things wicha body
You think I'm givin' you lessons on how to do pilates
We about to rumble in the bedroom
Beat it up, Beat it up, Beat it up
We about to rumble in the bedroom
Beat it up, Beat it up, Beat it up Girl, head first, I'mma dive in (Dive in)
Open up, lemme climb in (Climb in)
And before the night's over (Over)
Make your knees touch your shoulders
I make your knees touch your shoulders
I make your knees touch your shoulders
I - Before the night's over (Over)
Make your knees touch your shoulders
I make your knees touch your shoulders
I make your knees touch your shoulders
I - Before the night's over (Over)
Make your knees touch your shoulders
Clothes off, when we hit the door
Anything you need, get you what you want
Wanna autograph, I'mma pull it out
Girl, I'm bout to sign, now turn around
You be like stop, I be like goin' oh-e oh-e oh-e
Get yo ass on top and start oh-e oh-e oh-e
Make that ass bounce, boy-ye-oy-e-oing
Girl, I'm bout to beat it, destroy-e-oy-e-oy We about to rumble in the bedroom
Beat it up, Beat it up, Beat it up
We about to rumble in the bedroom
Beat it up, Beat it up, Beat it up Girl, head first, I'mma dive in (Dive in)

And before the night's over (Over)
Make your knees touch your shoulders
I make your knees touch your shoulders

I - Before the night's over (Over)
Make your knees touch your shoulders
I make your knees touch your shoulders
I make your knees touch your shoulders
I - Before the night's over (Over)
Make your knees touch your shoulders Bet you never had it like this, before
Bet you never did it like that, before
Tonight I'll show you the feeling of,
Your knees touching your shoulders
Bet you never had it like this, before
Bet you never did it like that, before
Tonight I'll show you the feeling of,
Your knees touching your shoulders Girl, head first, I'mma dive in (Dive in)
Open up, lemme climb in (Climb in)
And before the night's over (Over)
Make your knees touch your shoulders

I - Before the night's over (Over)
Make your knees touch your shoulders
I make your knees touch your shoulders
I make your knees touch your shoulders
I - Before the night's over (Over)
Make your knees touch your shoulders
