

Someone to Save You

OneRepublic

Patience
Took you for everything
Looked like a diamond ring
You wore it so much longer
Than made sense
Apathy in disguise
Crept on you like a spy
Hurt you in ways
You can't describe
Back to the start now
I won't let you go this way now
Honesty
Is what you need
It sets you free
Like someone to save you
Let it go
But hurry now
There's undertow And I don't want to lose you now All right
Sit down and spill your heart
Let's start from the very start
'Cause I can see by your eyes
You're wasted
Your energy comes and goes
You're taking your time, you know
Nothing can change what happened, so...
Back to the start now
I won't let you go this way now Honesty
Is what you need
It sets you free
Like someone to save you
Let it go But hurry now
There's undertow
And I don't want to lose you now Now Now
Oh my
Look at your bright stars fade so
How much can you take? Honesty
Is what you need
It sets you free Like someone to save you
Let it go
But hurry now
There's undertow

And I don't want to lose you now Na na

Someone to save you
Na na
Someone to save you
Na na
Someone to save you
Na na
Save you
Na na
Save you
Someone to save you
Na na
What you need is
Someone to save you
