

# back again

Flor

I won't be long  
It's just for now  
Oh, I'll come back here  
When time allows Save my name in your phone  
I'll be fine, but I don't know  
When I'll be back again, I'll be back again  
Keep my love close to yours  
We'll lay down again, once more  
When I'll get back again  
I get back again  
And it's hard to live without  
Your softest touch  
Your burning mouth  
Your burning mouth I don't want to be long  
and it's so hard for you to ride along  
So wait for me, and I'll be back again  
Let me know if you feel a little lost  
A little too real  
and I'll come back again, I'll come back again  
And I guess, I guess I never really thought it through enough  
And I guess, I guess I never really thought it through enough  
And I guess, I guess I never really thought it through enough  
Thought it through enough  
Thought it through  
It hurts alone  
but don't you worry  
I'm coming home  
I'm coming home.
