

# Until the Time Is Through

## Five

Now and forever, Until the time is through  
I can't believe it, I don't know where to start  
No baby, So many questions deep inside my heart  
Give me a moment before you go  
There's something you ought to know.  
Baby now and forever  
Until the time is through (Until the time is through)  
I'll be standing here  
Waiting and never give up my faith in you (Give up my faith in you)  
Trying to make it clear  
Without your love, I'd be half a man, Maybe one day, You'll understand  
Now and forever, Until the time is through  
I'll be waiting!  
How can I tell you, so that you can see  
You know that, Love has a meaning  
When you are here with me (When you are here with me baby)  
Give me a moment before you go  
There's something you ought to know.  
Baby now and forever  
Until the time is through (Until the time is through)  
I'll be standing here  
Waiting and never give up my faith in you (Give up my faith in you)  
Trying to make it clear  
Without your love, I'd be half a man, Maybe one day, You'll understand  
Now and forever, Until the time is through  
There is no one to comfort me  
Here in my cold reality  
I'm searching for words  
What can I say to make you see.  
Baby now, Until the time is through, I'll be Here. Baby now and forever  
Until the time is through (Until the time is through)  
I'll be standing here  
Waiting and never give up my faith in you (Give up my faith in you)  
Trying to make it clear  
Without your love, I'd be half a man, Maybe one day, You'll understand  
Now and forever, Until the time is through
