

Bop!

JoJo Siwa

Bop, bop, twist, twist
Check it off your checklist
Chug, chug, pick it
Chug, chug, kick it
Right left, all around
Disco, disco, to the ground
Boogie, boogie, freestyle
Then freeze Shimmy like you mean it like all of the time
Gotta meet you in the middle of the Conga line
And I'll follow your lead if you follow mine
So come on, get up, get ready to go Let's dance like it's nobody's business
The sky is the limit, would you give it a minute
Just dance, 'cause you're going the distance
So let yourself get carried away
I wanna, wanna, wanna
Bop, bop, twist, twist
Check it off your checklist
Chug, chug, kick it
Move it, move it, mix it
Right left, all around
Disco, disco, to the ground
Boogie, boogie, freestyle
Then freeze
I wanna, wanna, wanna Bop, bop, bop to this bop
Bop, bop, bop
Bop to this, bop to this
Bop, bop, bop to this bop
So let yourself get carried away
I wanna, wanna, wanna
Do the locomotion and electric slide
Yeah I know you got the fever like it's Saturday night
Gonna moonwalk, running man, hammertime
So come on, get up, get ready to go Let's dance like it's nobody's business
The sky is the limit, would you give it a minute
Just dance, 'cause you're going the distance
So let yourself get carried away
I wanna, wanna, wanna Bop, bop, twist, twist
Check it off your checklist
Chug, chug, kick it
Move it, move it, mix it
Right left, all around
Disco, disco, to the ground

Boogie, boogie, freestyle
Then freeze
I wanna, wanna, wannaBop, bop, bop to this bop
Bop, bop, bop
Bop to this, bop to this
Bop, bop, bop to this bop
So let yourself get carried away
I wanna, wanna, wannaBop, bop, twist, twist
Check it off your checklist
Chug, chug, kick it
Move it, move it, mix it
Right left, all around
