

# Comfortably Numb

## Roger Waters

Hello  
Is there anybody in there?  
Just nod if you can hear me  
Is there anyone at home?  
Come on, now  
I hear you're feeling down  
Well, I can ease the pain  
And get you on your feet again  
Relax  
I need some information first  
Just the basic facts  
Can you show me where it hurts?  
There is no pain, you are receding  
A distant ship's smoke on the horizon  
You are only coming through in waves  
Your lips move but I can't hear what you're sayin'  
When I was a child I had a fever  
My hands felt just like two balloons  
Now I've got that feeling once again  
I can't explain, you would not understand  
This is not how I am  
I have become comfortably numb  
I have become comfortably numbOk  
Just a little pinprick  
There'll be no more --Aaaaaahhhhh!  
But you may feel a little sick  
Can you stand up?  
I do believe it's working, Good  
That'll keep you going through the show  
Come on it's time to go  
There is no pain, you are receding  
A distant ship's smoke on the horizon  
You are only coming through in waves  
Your lips move but I can't hear what you're sayin'  
When I was a child I caught a fleeting glimpse  
Out of the corner of my eye  
I turned to look but it was gone  
I cannot put my finger on it now  
The child is grown, the dream is gone  
I have become comfortably numb
