

# Synchronicity I

## The Police

With one breath, with one flow  
You will know  
Synchronicity  
A sleep trance, a dream dance,  
A shared romance  
Synchronicity A connecting principle  
Linked to the invisible  
Almost imperceptible  
Something inexpressible  
Science unsusceptible  
Logic so inflexible  
Causally connectible  
Yet nothing is invincible  
If we share this nightmare  
Then we can dream  
Spiritus mundi  
If you act as you think  
The missing link  
Synchronicity We know you, they know me  
Extrasensory  
Synchronicity  
A star fall, a phone call  
It joins all  
Synchronicity  
It's so deep, it's so wide  
You're inside  
Synchronicity  
Effect without a cause  
Sub-atomic laws, scientific pause  
Synchronicity...
