Sheck Wes

Mudboy

Fa Fa Fa

Bitch

WESPN ESPN

They don't like my rap style

Now they want features

I turned all my doubters, into my believers

Arguing my damn ma

Flyin' with my teachers

Skip my game for the fashion show

One of my best decisions

Backwood addiction (I got it)

I got a backwood addiction

THC, thats facts non fiction

Or is the shit fiction?

But remember in school I ain't pay attention (in school I ain't pay attention)

I watched W-E-S-E-S-E-S-ESPN

W-E-S-E-S we fuck with him

W-E-S-E-S we don't need top ten

W-E-S-E-S we fuck with him

W-E-S-E-SGoin' through a damn phase (goin' thru)

Goin' through my damn chains

Goin' through my dam passport (my passport)

I been goin' through these damn pages

Smokin on?

Hoes sniffing on powder (sniffing)

The money bring the power

The money bring you problems so

You niggas can't stop, don't call

Please don't call, don't call Sheck Wes no more

Cause I ain't picking' up my motherfucking phone

Do not disturb put it on phone

I ain't picking up calls no more

Please do not call my phone if you ain't talking about the motherfuckin' dope

Do not disturb put it on my phone

I ain't picking up calls no more

Please do not call my phone if you ain't talking about the motherfuckin' dope

I watched W-E-S-E-S-E-S-ESPN

W-E-S-E-S we fuck with him

W-E-S-E-S we don't need top ten

W-E-S-E-S we fuck with him

W-E-S-E-SThey just wanna turn shit

They don't like the sad music
Sheck Wes in a sad state
You ain't ever had to do shit huh?
You ain't ever had to go through shit huh?
You ain't ever have to go and shoot shit huh?
You ain't never had to go and shoot shit huh?
You ain't ever have to go and shoot shit huh? That's why do not disturb, put it on the phone
I ain't pickin up the calls no more
Please do not call my phone if you ain't talking about the motherfuckin'
