

I Am Invincible

Cassadee Pope

Broken glass inside
Won't cut through me
Pain behind my eyes
I turn into strength
Oh I will fight
I will survive I am invincible
I am unbreakable
I am a diamond cut to last
I am unstoppable
I am a hero
Like a phoenix from the ash
Invincible Cracks run through these walls
But they still stand strong
Oh, heart covered in scars
But my fear is gone
Oh I will fight
I will survive I am invincible
I am unbreakable
I am a diamond cut to last
I am unstoppable
I am a hero
Like a phoenix from the ash Nothin' gonna make me break or shatter
No one's gonna tell me I don't matter, no
I won't let you
Time is runnin' out, keeps gettin' faster
Gotta find a way, rewrite the answers
'Till I can say
I am invincible
I am unbreakable
I am a diamond cut to last
I am unstoppable
I am a hero
Like a phoenix from the ash
I am invincible
I am unbreakable
I am a diamond and I will last
Invincible
