

# Liberation Day

## Ferras

All you dreamers  
So far  
You haven't worked it out  
And you believers  
So far away from heaven  
Aall you mothers  
You think you know  
What every things  
About you keep banging on  
And getting it all wrong  
Uh, oh, oh, oh  
(Uh, oh, oh, oh)  
It's a beautiful day  
To wake up with nothing  
To say it's liberation  
Uh, oh, oh, oh  
(Uh, oh, oh, oh)  
What a wonderful thing  
To throw your elusions away  
It's liberation dayAll you lovers  
You know  
Your gonna work it out  
Under the covers  
Sometimes you gotta give in  
All together  
Come on it's  
What it's all about  
And if i'm banging on  
It's just another songUh, oh, oh, oh  
(Uh, oh, oh, oh)  
It's a beautiful day  
To wake up with nothing  
To say it's liberation  
Uh, oh, oh, oh  
(Uh, oh, oh, oh)  
What a wonderful thing  
To throw your elusions awayIt's liberation day  
And everything i am  
And everything i own  
I throw it all away  
It's liberation day  
I'm gonna am the am

I'm gonna be the be  
I'm gonna who the hell  
I'm gonna me the me  
I'm gonna ring the bell  
And free the freak in free  
The freak in me Uh, oh, oh, oh  
(Uh, oh, oh, oh)  
It's a beautiful day  
To wake up with nothing to say  
It's liberation  
Uh, oh, oh, oh  
(Uh, oh, oh, oh)  
What a wonderful thing  
To throw your elusions away  
It's liberation day  
Uh, oh, oh, oh  
It's a beautiful day  
To wake up with nothing to say  
E, ay, e, ay, e, ay, e, ay,  
Yeah, e, yeah, e, yeah, e, yeah  
E, yeah, e, yeah, e, yeah
