

# Make it Wonderful (Chad Valley Remix)

## Erasure

Tell me something new  
There are stories to be told  
Dreams shattering  
Lies are flattering. Walks across the stage  
There are secrets to behold  
Thoughts are gathering  
Light scattering. Lay your words upon me kindly  
Just to remind me  
I'm blinded by the lights  
Whisper something gently to me  
The words of love you know  
I'm blinded by the light.  
You make it wonderful. See the northern lights  
As they dance across the sky  
They are inspiring  
They take your breath away. Some will walk alone  
They will never know the truth  
Hidden messages  
Shine like diamonds. Lay your words upon me kindly  
Just to remind me  
I'm blinded by the lights  
Whisper something gently to me  
The words of love you know  
I'm blinded by the light. You make it wonderful.  
You make it wonderful.  
Innocence is so inspiring like a child will dream at night  
When my ship comes in so full of wonder and remorse. Lay your words upon me kindly  
Just to remind me.  
I'm blinded by your lights  
Whisper something gently to me  
The words of love you know  
I'm blinded by the light. You make it wonderful  
You make it wonderful  
You make it wonderful  
You make it wonderful
