

# Salem

## King Diamond

Saturday midnight  
At midnight that same night, the Lafaettes were slipping  
At midnight that same night, there is a shadow creepeng  
Salem is moving without a sound  
Salem is moving... moving, moving to the burial ground  
So hot and so quiet, only the leaves are shaking

By one of the graves, Doctor le Croix is waiting  
Salem is moving without a sound  
Salem is moving... moving, moving to the burial ground  
Doctor le Croix, shaking the hand of Salem

"My my my my my God, Salem tell me the secret  
My my my my my God, this makes me feel uneasy"  
In shock... Le Croix is terrified, this could be the end

Fear turns to hate. "Great Wanga will befall the Lafayettes  
Salem help me, save us... Salem help me, save us  
By turning them to dust  
So take this money and off you go  
To Madame Sarita's Boutique of Voodoo  
A snake curse and a little "Goofer Dust"

You Salem will be the link between them and us  
This could be an easy way to turn the Lafayettes to dead"  
Two hours later. Salem leaves  
Madame Sarita

"My my my my my God, Salem is looking scary  
My my my my my God, now he's heading for the cemetery  
Kneeling in front of the graves  
A handful of soll and Salem is on his way  
He must leave a copper penny as payment for the soil  
And to protect himself

From all the spirits that could come and dig themselves  
Into his head... Dead... Dead... Dead... Salem is here  
By the house, in the dark, there is a shadow digging  
The snake in the bottle, is buried and it's ready  
Salem is moving without a sound  
Everyone's sleeping, but me cause I don't need it. No
