

# Final Masquerade

## LINKIN PARK

Tearing me apart with  
Words you wouldn't say  
Suddenly tomorrow's  
Moment washed away  
Cuz I don't have a reason  
And you don't have the time  
But we both keep on waiting  
For something we won't find  
The light on the horizon  
was brighter yesterday  
Shadows floating over  
Scars begin to fade  
You said it was forever  
But then it slipped away  
Standing at the end of  
The final masquerade  
The final masquerade  
All I've ever wanted  
The secrets that you keep  
All you've ever wanted  
The truth I couldn't speak  
Cuz I can't see forgiveness  
And you can't see the crime  
If we both keep on waiting  
For what we left behind  
The light on the horizon  
Is brighter yesterday  
Shadows floating over  
Scars begin to fade  
You said it was forever  
But then it slipped away  
Standing at the end of  
The final masquerade  
The final masquerade  
The final masquerade  
The final masquerade  
Standing at the end of  
The final masquerade  
The light on the horizon  
Is brighter yesterday  
Shadows floating over  
Scars begin to fade  
You said it was forever  
But then it slipped away  
Standing at the end of  
The final masquerade  
The final masquerade  
The final masquerade

Standing at the end of  
The final masquerade  
The final masquerade
