

# Let Me Win

Chrisette Michele

I think I need a lifeline  
It's like I'm in a crazy game  
And I don't have the words to say  
To win this guy's affection  
I might need a lifetime  
I'll never know the perfect play  
Hitting this day by day  
But I've got good intentions  
Look me in the eye  
Do you think I'm fly  
I can tell you into me  
So why you acting shy?  
Lay down all your cards  
I won't make it hard  
Let me be the winner of your heart, whoa  
This game is like a gamble  
Here's my heart to handle  
Need you to be gentle  
You should let me win  
I'm not your heart of playing  
Don't know what to say  
I'm tryna catch a break  
You should let me win, oh, oh, oh  
You should let me win, oh, oh, oh  
Uh, whoa  
I never been a loser, and I don't wanna be one now  
I always give away somehow,  
Why should this be different?  
I felt it when I kissed ya  
Drove me just a little bit wild  
I always knew I liked your style  
I never thought I would be with ya  
Look me in the eye,  
Do you think I'm fly  
I can tell you into me  
So why you acting shy?  
Lay down all your cards  
I won't make it hard  
Let me be the winner of your heart, whoa  
This game is like a gamble  
Here's my heart to handle  
Need you to be gentle  
You should let me win

I'm not your heart of playing  
Don't know what to say  
I'm tryina catch a break  
You should let me win, oh, oh, oh  
You should let me win, oh, oh, oh  
Uh, whoa.
