

# Heartbreak Warfare

[John Mayer](#)

Lightning strikes  
Inside, my chest to keep me up at night  
Dream of ways To make you understand my pain  
Clouds of sulfur in the air Bombs are falling everywhere  
It's heartbreak warfare  
Once you want it to begin No one really ever wins  
In heartbreak warfare If you want more love  
why don't you say so?  
If you want more love  
why don't you say so?  
Drop his name Push it in and twist the knife again  
Watch my face As I pretend to feel no pain  
Clouds of sulfur in the air Bombs are falling everywhere  
It's heartbreak warfare  
Once you want it to begin No one really ever wins In heartbreak warfare.  
If you want more love  
why don't you say so? If you want more love  
why don't you say so?  
Just say so...  
How come the only way to know how high you get me  
is to see how far I fall  
God only knows how much I'd love you if you let me  
but I can't break through at all.  
It's a heartbreak...  
I don't care if we don't sleep at all tonight  
Let's just fix this whole thing now  
I swear to God we're gonna get it right  
If you lay your weapon down  
Red wine and ambien  
You're talking st again, it's heartbreak warfare  
Good to know it's all a game  
Disappointment has a name, it's heartbreak, heartbreak.  
It's heartbreak warfare  
It's heartbreak warfare  
It's heartbreak warfare
