

Survival (feat. Drew Holcomb & Ellie Holcomb)

NEEDTOBREATHE

I got the devil on my throat
Got blood on my hands
The ones that I love are in danger
I'm a fallen man
But I found me a river
And it washes me clean
I know that I'm drowning for trying
But I'll never leave I know that I'm found
I can't keep from hiding
Don't have a choice
But I get stuck deciding
I am a man in need of
A constant revival
Jesus come quickly
I need you for my survival
Got a lock on my soul
I'll never let you in
Got the hounds of Hell chasing
My time's running thin
But I found me a rhythm
And it breaks down my gates
Sometimes it's hard to just listen
But I'm making my case I know that I'm found
I can't keep from hiding
Don't have a choice (choice)
But I get stuck deciding
I am a man in need of
A constant revival
Jesus come quickly
I need you for my survival
Oo-oo-oooh, oo-oo-oooh, oo-oo-oooh
Oo-oo-oooh, oo-oo-oooh, oo-oo-oooh
Like flowers need sunlight
Oo-oo-oooh
Oceans need high tide
Oo-oo-oooh
Like men need a long life
Oo-oo-oooh
To know that they ain't right
Like lions need their pride

Oo-oo-oo
It's a matter of your time
Oo-oo-oo
I need you if I wanna survive
Oo-oo-oo I know that I'm found (Fou-ound)
And I can't keep from hiding
Don't have a choice
But I get stuck deciding
I am a man in need of
A constant revival
Jesus come quickly
I need you for my survival
