

# SHE'S THE ONE

## MONSTA X

???? (Monsta X) - She's The One Lyrics  
She's the one, got me all messed up  
I could write a million songs, but I know it's not enough  
She's so beautiful and I know she?  
knows it  
She know how to think, yeah, she always owns it  
But I just haven't told her yet, no, I just haven't told her  
I'ma buy a rose, a dozen roses  
Fly her on a one day trip to Paris  
But I just haven't told her yet, no, I just haven't told her  
She makes my knees feel weak  
She makes my drink feel stronger, ayy  
Can't eat, can't sleep, can't dream  
Can't wait any longer, any longer now  
She's the one, got me all messed up  
I could write a million songs, but I know it's not enough  
'Cause she's the one I get feelings from  
I could write a million songs, but I know it's not enough  
'Cause she probably doesn't even know this song's about her  
Think about her face every time I  
wake up  
At night, I wanna ask about how her day was  
But I just haven't told her yet, no, I just haven't told her  
Not the type of guy who gonna make you a promise  
Rolling down my sleeve and you'll see my heart on it  
She could cut my words, when usually got it, she wants it, mmm-mmm  
She makes my knees  
feel weak  
She makes my drink feel stronger, ayy  
Can't eat, can't sleep, can't dream  
Can't wait any longer, any longer now  
She's the one, got me all messed up (Messed up)  
I could write a million songs, but I know it's not enough (Not enough, oh)  
'Cause she's the one I get feelings from  
I could write a million songs, but I know it's not enough  
'Cause she probably doesn't even know this song's about her  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
(Oh, oh, oh, oh, oh, oh)  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh, oh  
She makes my knees feel weak  
She makes my drink feel stronger (Yeah)  
Can't eat, can't sleep, can't dream  
Can't wait any longer (Longer), she's the one  
She's the one, got me all messed up  
I could write a million songs (Oh, oh, she's the one), but I know it's not enough (Oh, oh, she's  
the one)

'Cause she's the one I get feelings for (Ooh)  
I could write a million songs (Ooh), but I know it's not enough  
'Cause she probably doesn't even know this song's about her
