

Summer Story

Jaz Karis

I know your type,
type to keep me up all night ,
make me ignore my friends advice (ahh)
my ma dont like you I should listen cause she`s usually right too,
but I never do, I never do

Said you aint all,
said it aint all what I`d thought it be,
keep calling it wrong, maybe its more than a summer thing,
sometimes im colder in the evening, but I dont wanna be an april fool for you,
but I wont fall for a summer story (ahh yea)
you my summer story for the year,
for a summer story (ahh yea yea) you my summer story for the year (yea),
all the pages I used yea put your name on it,
still got memories that we aint made yet (yeaa),
theres something I should really tell you,
I know you feel like I regret you,
maybe its just time and where the silver line is,
said you aint all, said it aint all what I thought it be,
keep calling it wrong maybe we`re more than a summer thing,
sometimes im colder in the evening,
but I dont wanna be an april fool for you,
so I wont fall for a summer story (ahh yea),
you my summer story for the year,
for a summer story (ahh yea yea),
you my summer story for the year,
say na, na, na, na,
na, na, na, na,
na, na, na, na
ahh yea,
na, na, na, na,
na, na, na, na,
you my summer story for the year.....
