You Make the Rain Fall (feat. Flo Rida)

[Kevin Rudolf](#)

You make the rain fall
'Cause you're so beautiful that it's painful
Yeah, you told me that you were an angel
But I already know what you came for
You make the rain fallWell, your eyes are so deceiving
Deadly as a loaded gun
And your words are so misleading
You tell me I'm the only oneAnd it feels so good tonight
But it gets me every time
And I know I'll never change my ways
But every single night I pray
You make the rain fall
'Cause you're so beautiful that it's painful
Yeah, you told me that you were an angel
But I already know what you came for
You make the rain fallHey, this girl make the rain drop
Giving me pain in the same spot
Go in my pockets, my wallet, I got it
She getting my dollars the sameUmbrella's lit up on the same block
The weather keeps pouring, this dame's hot
Lil' mamma handle herself on the pole
I can throw some more fish off the same dockClouds over my head
Thunder and lightnin' she flashing for bread
She make a storm, I'm already prepared
Who do I want 'cause I cut the checks
Shorty, she want the Jacuzzi with jets
Can't use the mop for this
They stop the drizzle, I walk on the set
I got the bar, girl, I'm telling you, yeahYou make the rain fall
'Cause you're so beautiful that it's painful
Yeah, you told me that you were an angel
But I already know what you came for
You make the rain fallYou make the rain fall
'Cause you're so beautiful that it's painful
Yeah, you told me that you were an angel
But I already know what you came for
You make the rain fallAnd I want you bad so I stand in line
You tell me the lies to keep me up all night
And I don't even know your name
But every night I pray
YeahYou make the rain fall
You make the rain fallYou make the rain fall

'Cause you're so beautiful that it's painful
Yeah, you told me that you were an angel
But I already know what you came for
You make the rain fallYou make the rain fall
You make the rain fall
You make the rain fall
You make the rain fall
