Down With the Sickness (Amended Version)

Disturbed

Ooh ah ah ah ah Ooh ah ah ah ahDrowning deep in my sea of loathingBroken your servant I kneel (Will you give it to me?) It seems what's left of my human side Is slowly changing in me (Will you give it to me?) Looking at my own reflectionWhen suddenly it changes Violently it changes Oh no, there is no turning back now You've woken up the demon in me Get up, come on get down with the sickness Get up, come on get down with the sickness Get up, come on get down with the sickness Open up your hate, and let it flow into me Get up, come on get down with the sickness You mother get up Come on get down with the sickness You fucker get up Come on get down with the sicknessMadness is the gift, that has been given to me I can see inside you, the sickness is rising Don't try to deny what you feel (Will you give it to me?) It seems that all that was good has died And is decaying in me (Will you give it to me?) It seems you're having some trouble In dealing with these changes Living with these changes Oh no, the world is a scary placeNow that you've woken up the demon in me Get up, come on get down with the sickness Get up, come on get down with the sickness Get up, come on get down with the sickness Open up your hate, and let it flow into me Get up, come on get down with the sickness You mother get up Come on get down with the sicknessYou fucker get up Come on get down with the sickness Madness is the gift, that has been given to me And when I dream And when I dream And when I dream And when I dream

No mommy, don't do it again Don't do it again I'll be a good boy I'll be a good boy, I promise No mommy don't hit me, oh-ooh Why did you have to hit me like that mommy? Don't do it! You're hurting me, oh-ooh Why did you have to be such a bitch? Why don't you, why don't you fuck off and die? Why can't you just fuck off and die? Why can't you just leave here and die? Never stick your hand in my face again bitch Fuck you I don't need this shit You stupid sadistic abusive fucking whoreWould you like to see how it feels mommy? Here it comes, get ready to die Ooh ah ah ah ah Get up, come on get down with the sickness Get up, come on get down with the sickness Get up, come on get down with the sickness Open up your hate, and let it flow into me Get up, come on get down with the sickness You mother get up Come on get down with the sickness You fucker get up Come on get down with the sickness Madness has now come over me
