

Love wit 'Em

Jonh Hart

[Hook: Jonh Hart]

Like a killer, I body that
Say girl, where your partner at?
Don't get your feelings caught up
Cause I'm a beast, I'm a dog, I'm all the above (yeah)
I don't catch feelings but I love making love wit 'em
Love wit 'em, L-love wit 'em
And I don't catch feelings but I love making love wit 'em
Love wit 'em, Love wit 'em (yeah!)

[Verse 1: Rayven Justice]

There's so many
Baddies in this thing I got plenty (yeah)
To choose from
Got weed, got bottles, y'all can all come (over)
Only like thickest, only like baddies that got ass and titties
Only like baddies that drink the Patron and the Henny
Only like baddies that love a nigga from the hood (yeah)
So baby what's good yeah
Imma show you what's good yeahhh
So pull them panties to the side
So I can show you how I'm gon' dive (yeah)[Bridge: Jonh Hart]
Imma lick it for a while
Watch that booty go wild
And Imma beat the pussy up
Tap out when you've had enough

[Hook: Jonh Hart]

Like a killer, I body that
Say girl, where your partner at?
Don't get your feelings caught up
Cause I'm a beast, I'm a dog, I'm all the above (yeah)
I don't catch feelings but I love making love wit 'em
Love wit 'em, L-love wit 'em
And I don't catch feelings but I love making love wit 'em
Love wit 'em, Love wit 'em (yeah!)[Verse 2: Jonh Hart]

I don't wanna be a player no more
But it's The Bay in me so I gotta play on
If you talking 'bout love, that's a no-no
Gotta go, gotta go, gotta get the dough
You always bring it when I need it
Somethin' happens in my pants when I see it
You could tell by the way I make her moaning
When you shaking then I gotta push the bone in

Come see what this dick do
Cause you know I need my issue
Hope you can clean it like tissue
(Get ready for round two, ohh)[Bridge: Jonn Hart]
Imma lick it for a while
Watch that booty go wild
And Imma beat the pussy up
Tap out when you've had enough[Hook: Jonn Hart]
Like a killer, I body that
Say girl, where your partner at?
Don't get your feelings caught up
Cause I'm a beast, I'm a dog, I'm all the above (yeah)
I don't catch feelings but I love making love wit 'em
Love wit 'em, L-love wit 'em
And I don't catch feelings but I love making love wit 'em
Love wit 'em, Love wit 'em (yeah!)
