

# Sexy Lady (feat. DJ Kane)

## MC Magic

Quiero que sepas que todos los dias  
Solo pienso en ti  
Eres la reina de mi vida  
Mi corazon es para ti  
I wanna treat you like a queen  
I wanna love you tonight  
Sexy lady with the pretty brown eyes let me know if you down to ride I remember when I met  
you  
You was standing with your friends at the bar looking so fly  
From the hotel sweet to the bubbles in the bath tub  
No matter what you want to do I got your back love  
Let me give it to you baby let me rub your back  
As a matter of a fact  
With the lights down low with the beat thats slow I'm gonna make you loose control  
Let me touch them private places  
Homerun hit like four bases  
Making all them sexy faces  
Damn girl you drive me crazy  
I wont stop until the panties drop  
Foggy windows in the parking lot  
Holiday Inn or the Marriott  
Dime lo que quieras I make it real hot  
(let me know girl) Let me treat that body like a playground  
From the top of the slide to the mary-go-round  
Don't stop till you get enough  
Till your eyes roll back and your legs lock up  
Ooh wee I know you like that feeling when I'm killing  
That kitty kat kat and I break your back and you lose your breath like a carty yat  
Must me that sex maniac in me  
Gotta hit it one time or maybe three  
You know that I gotta make it hotter than a hundred degrees  
Tell me one thing  
In the morning when you wake up  
What you wanna do  
Yo quiero hacer el amor with nobody else than you I told you lady that I'm going to love you so  
right  
Let me touch that body in the places that nobody has ever touched before  
Let me just love you right let me show you what I feel  
Your my one and only lady and thats why our love is so so real  
Come on now
