

Obsession

Innerpartysystem

All of my love What keeps the pressure building?

What takes your breathe away?

What do I have to do

To make you want to fall in love with me?

Fall in love with me? I want you to notice

What you've been missing

I want you to feel that

Feel that deep inside of you

I want you to notice

(All of my love)

What you've been missing

(All of my love)

I want you to feel that

(All of my love)

Feel that deep inside of you

(All of my love) (x8)

What is your satisfaction?

I'll give you all you need

What do I have to do

To make you want to fall in love with me?

Fall in love with me? I want you to notice

What you've been missing

I want you to feel that

Feel that deep inside of you

I want you to notice

(All of my love)

What you've been missing

(All of my love)

I want you to feel that

(All of my love)

Feel that deep inside of you

(All of my love) (x8)

I want you to notice

What you've been missing

I want you to feel that

Feel that deep inside of you

I want you to notice

What you've been missing

I want you to feel that

Feel that deep inside of you

I want you to notice

What you've been missing

I want you to feel that
I want you to feel that
