

Look What You've Done

Tree63

Look what you've done for me
your blood has come to set me free
Jesus my Lord,
look what you've done for me.i haven't been the same,
ever since that day i called your name
Yaweh Yaweh
look what you've done for mewhat can do for you my lord
i want you to know my heart is yours.
it's not the question of what you can do for me
what can i do for you my Lord
up to your Cross I crawled
now i am standing 10 feets tall
Jesus my saviour, look what you've done for me
Now I'm free at last I'm free
i owe you my life completely
Yaweh Yaweh, look what you've done for meWhat can i do for you, my Lord
i want you to know my heart is yours
it's not the question of what you can do for me
What can I do for you my Lord...Hallelujah...(look what you've done for me, what you've done
for me, what can i do, what can i do for you.)
What can I do for you my Lord
i want you to know my heart is yours
it's not a question of what you can do for me
What can I do for you my Lord X2
