

# One Chance To Dance (feat. Joe Jonas)

## Naughty Boy

[Verse 1]

I'm no professional dancer  
Baby, I ain't no Michael Jackson  
But I would learn any move  
Get with any groove  
Just to dance with you  
I'll let my feet do the talking  
I met her out when I'm walking  
Show you what I can do  
And you know it's true  
When I dance with you [Chorus]  
Oh-oh-oh-oh, give me your hand  
Oh-oh-oh-oh, I'll be who I am  
Oh-oh-oh-oh, I ain't no Michael Jackson  
But give me one chance, one chance to dance

[Post-Chorus]

Oh-oh-oh-oh

Give me one chance, one chance to dance

Oh-oh-oh-oh

Give me one chance, one chance to dance [Verse 2]

I'm no professional dancer  
Baby, give me your answer  
I'll practice everyday  
Don't care what record plays  
When i dance with you  
You take the lead and I'll follow  
I'll take my pride and I'll swallow  
May not have Jagger moves  
But I ain't gonna lose  
When I dance with you

[Chorus]

Oh-oh-oh-oh, give me your hand

I'll be who I am

Oh-oh-oh-oh, I ain't no Michael Jackson

But give me one chance, one chance to dance [Post-Chorus]

Oh-oh-oh-oh

Give me one chance, one chance to dance

Oh-oh-oh-oh

Give me one chance, one chance to dance [Bridge]

And if I fall to my knees

I won't crumble and freeze

I'll pick myself up and I'll try it again, and again until you see

I'll take you by the hand  
Just listen to me  
Oh baby, if you could just give me a half of a chance  
To make you understand  
I know exactly who I am  
I ain't no Michael Jackson  
But give me one chance, one chance to dance[Post-Chorus]  
Give me one chance, one chance to dance  
Give me one chance, one chance to dance  
I ain't no Michael Jackson  
But give me one chance, one chance to dance  
One chance, one chance to dance  
One chance, one chance to dance
