

# Mighty Clouds of Joy (Re-Recorded)

**B.J. Thomas**

Those old bad dreams  
Been sleeping in your head  
Those old dark clouds  
Been hanging around your head  
But all your hard times  
Will vanish in the wind  
When the mighty clouds of joy  
Come rolling in  
Ohhhh, Holy Jesus  
Let your love seize us  
Oh, let us find sweet peace within  
Hallelujah!  
Happiness begins,  
When the mighty clouds of joy  
Come rolling in.  
Those old storm clouds  
Are slowly drifting by  
And those old raindrops  
Are fading from your eyes  
And oh, Mr. Sun,  
Gonna shine on us again  
When the mighty clouds of joy  
Come rolling in  
Ohhhh, Holy Jesus  
Let your love seize us  
Oh, let us find sweet peace within  
Hallelujah!  
Happiness begins,  
When the mighty clouds of joy  
Come rolling in  
Holy Jesus  
Won't you let your love seize us  
Let us find sweet peace within  
Hallelujah!  
Happiness begins,  
When the mighty clouds of joy  
Come rolling in
