

I Wonder Where You Are Tonight

[Keith Whitley](#)

Tonight I'm sad my heart is weary
Wondering if I'm wrong or right
To dream about you though you left me
I wonder where you are tonight
The rain is cold and slowly falling
Upon my window pane tonight
And though our love was even colder
I wonder where you are tonight [guitar]
Your heart was cold you never loved me
Though you often said you cared
And now you've gone to find another
Someone who'll know the love I've shared
The rain is cold and slowly falling...
I wonder where you are tonight
