

# Fools

## The Temper Trap

Fools  
They don't know  
What they're on about  
Those fools  
Don't get bad dreams And I want it  
I want it  
I want it And I want it  
I want it  
I want it  
All You can't wait to watch me fall I sing stories on a wrecking ball  
Colliding, ask to bring you down  
If you want it  
You want it  
You want it If you want it  
You want it  
You want it  
All Sometimes, things we build to fall And I want it  
I want it  
I want it And I want it  
I want it  
I want it And I want it  
I want it  
I want it  
All  
And I want it  
I want it  
I want it And I want it  
I want it  
I want it And I want it  
I want it  
I want it  
All
