

# Tin Soldier (Mono)

## Small Faces

I am a little tin soldier  
That wants to jump into your fire  
You are a look in your eye  
A dream passing by in the sky I don't understand  
All I need is treat me like a man  
'Cause I ain't no child  
Take me like I am I got to know that I belong to you  
Do anything that you want to do  
Sing any song that you want me to sing to you  
I don't need no aggravation  
I just got to make you  
I just got to make you my occupation I got to know that I belong to you  
Do anything that you want to do  
Sing any song that you want me to sing to you All I need is your whispered hello  
Smiles melting the snow nothing heard  
Your eyes are deeper than time  
Say a love that won't rhyme without words So now I've lost my way  
I need help to show me things to say  
Give me your love before mine fades away I got to know that I belong to you  
Do anything that you want to do  
Sing any song that you want me to sing to you  
oh no no  
I just want some reaction  
Someone to give me satisfaction  
All I want to do is stick with you  
'Cause I love you
