

Just Because

Jane's Addiction

If i were you
i'd better watch out
when was the last time
you did anything
not for me
or anyone else
Just because
just because
Yeah
oh, you really should have known
hey you
you really should have known
Just because
just because
You've got the most
ahh, but nobody loves you
nobody has to
Just because
You
you really should have known
ohh, you
i think you really should have known
Just because
just because
Oh yeah
oh, you better watch out
When we first met
and we passed around gifts
that was a long time, ago
and you're feeling fit
Yeah you
oh, you really should have known
yeah you
oh, you really should have known
Just because
just because
just because
Oh yeah
oh, you better watch out
