Lil Jon

Hey, we winning tonight
Get'em outta here, they gottaGo
They gotta
Go
They gotta
Go
They gotta go
They gotta goGo to war, get messy
Stand tall, smashing my back to bank credit
No threat, my guy here with me
Fight 'em all, take 'em out no sweat, leave 'em dizzy
All in the zone, we go send 'em home
Frowns on their face like they home alone
Toe to toe we take 'em all, back 'em up against the wall
We don't never fall, I'll be doin' proGet'em outta here, they gotta
Go, make 'em know their place (They gotta)
Go, not in our house, not in jail (They gotta)
Go, taking sandwich off the lace (They gotta)
Go, they gotta
Go, they gotta go
They gotta go

We signin' it with bling bling bling
We so so brave brave brave
I think we hit a vein vein veinGet'em outta here, they gotta
Go, make 'em know their place (They gotta)
Go, not in our house, not in jail (They gotta)
