

Lonely Teenager

Dion & The Belmonts

LONELY TEENAGER

Dion I wanna go home

Where I belong

Cause now I'm just a lonely teenager

When I was 16 ran away

All alone on a stray

What can I do what can I say

I'm a lonely teenager

Now I'm 17 still alone

Wondering if I should go home

Or maybe stay out on my own

I'm a lonely teenager

I'd love to go back home (back home)

Where I belong (back home)

I know I'd be alright

If I just stay out of sight

I wanna go home

Where I belong

Cause now I'm just a lonely teenager

(I wanna go back home

Just let me go back home)

I'd love to go back home (back home)

Where I belong (back home)

I know I'd be alright

If I just stay out of sight

I wanna go home

Where I belong

Cause now i'm just a lonely teenager

(I wanna go back home

Please let me go back home)

Lonely teenager...(fades out)
