

Alone

Jonh Hart

It's february 14th
I just broke up with my girl
I am dancing off alone
Roses and teddy bears
Everybody celebrating
And I don't wanna be alone
And I don't wanna think
Think about you, think about you
And I don't wanna be
Be without you, be without you
Chose to watch your movie
But I can't go without you, go without you
I don't wanna be alone
Cold winter by the fireplace
Lost in love I can't find my way
All alone with no Valentine
Tryin' to get you off my mind
Tossing and turn still by the way
And you say just forget about it
'Cause you don'y give a damn about us
You left my heart on the floor
Now I'm saying fuck you though
You and I are no more
It's 6 o'clock and I'm home
I fucked around with these fucking hoes
You fucking around and got ghost
Now I got do these mistakes on my own
'Cause I know you ain't coming home
It's february 14th
I just broke up with my girl
I am dancing off alone
Roses and teddy bears
Everybody celebrating
And I don't wanna be alone
And I don't wanna think
Think about you, think about you
And I don't wanna be
Be without you, be without you
Chose to watch your movie
But I can't go without you, go without you
I don't wanna be alone
Oh girl think about what you're doing

Why you acting so cloud, why you tryin' to prove shit
Front back, you know how we do it
I know you remember that
'Cause you ain't never met a nigga like me
Living first class, taking trips over seas
But you got me all alone this february 14th
I see you doing you, and you ain't worry about me
You and I are no more
It's 6 o'clock and I'm home
I fucked around with these fucking hoes
You fucking around and got ghost
Now I got do these mistakes on my own
'Cause I know you ain't coming home
It's february 14th
I just broke up with my girl
I am dancing off alone
Roses and teddy bears
Everybody celebrating
And I don't wanna be alone
And I don't wanna think
Think about you, think about you
And I don't wanna be
Be without you, be without you
Chose to watch your movie
But I can't go without you, go without you
I don't wanna be alone
'Cause you don't give a damn about us
You left my heart of the floor
'Cause you don't give a damn about us
You left my heart of the floor
Now I'm saying fuck it though
Think about you, think about you
Be without you, be without you
Go without you, go without you
And I don't wanna be alone
