

# Country Song

## Jake Bugg

Gonna sing you an old country song, from the heart  
So I can cry your all night and call you when I'm sad  
When you have gone run so far  
From me, in the tree so far Walking down that old country lane, drops of rain  
Call upon the ones who call your name  
Will I see you again and please just come on back home to me  
To me so I'm not all alone Gonna sing you an old country song, from the heart  
From the strings of this old rusty guitar
