

Product of the Environment

3rd Bass

Alright coming up now another request
This time from the boys down at Anna's Pizza Paradise
A new arrangement of a great oldie in rhythm and blues
In the heart of the city you was born
and bred
You grew up smart or you wound up dead
Things moved fast, but you knew the scoop
And your savior was a rhyme and a beat and a rap group
A modern day production of the city
street
You said I didn't have it that I couldn't compete
So the sleeper did sleep but the sleeper shoulda woke up
Now you're in my sight, the Buddha sees you smoke up
That's the element you carry your
rhymes on
That style of rhyme won't let you live long
'Cause a strong song to you is what I sent
'Cause I'm a product, of the environment
There it is, black and white
There it is, black and white
On the streets of far Rockaway Queens
Seagram Boulevard, B-17
Redfern houses where no MC would ever go
Is where I did my very first show
Had the crowd had the rhymes going, I never fess
His reward, was almost a bullet in his chest
And on that stage, is where I first learned
Stick out my chest to be a kid and get burned
You're so foolish, but I think you knew this
That on the the microphone punk I can do this
And doing this, is what life meant
'Cause I'm a product, of the environment
There it is, black and white
There it is, black and white
Back in the days when kids were mack daddies
Striped Lee jeans, playboys and Caddies
Long Beach, the M.O.K. center
He almost caught a bad one when he tried to enter our way
Bang! Bum rush the back door
Then scatter, onto the dance floor
Me and my boys, skeezin' the cuties
Never had static, cuz everybody knew me
Local DJ's, tearin' up the wax
And out on the corner, some kid gets taxed
After the party, crack open a forty
Vicked it from the store yo the man never caught me
Went up to the arcade, cranked the bass
And then the five-oh chased us from the place
Hop on the railroad, play the conductor
Everywhere I went I always tucked
A marker in my jacket to tag where I went
'Cause we were just products, of the environment
There it is, black and white

There it is, black and white I wanna tell you something that gets me kind of mad
 It's about my dear old dad
 He's tired, and worn, and works a nine to five
 Clockin' thirty G's a year to survive But I know kids who in a month or so
 Make that money sellin' ya-yo
 Pushin' a drug, I can't understand
 Destroyin' a life with a buck in the hand Play rotten slum chain, local street hero
 But if you ask Serch, you're just a bunch of zeros
 Too bad 'cause when you're older, you won't have a cent
 'Cause you're a product, of the environment There it is, black and white
 There it is, black and white You hear it in the strength of my voice and in my rhythm
 Now you know, how I was livin'
 It happened to me, like it happened to Serch
 Prime Minister Pete Nice'll kick the verse In Bed-Stuy with my boy, Kiwai Height
 The K to A Kingston, Wednesday night
 To the Empire, show slammin'
 Open for Dana, crew flamin' Mouth open wide, or listenin'
 Dumb dope with a forty in my system
 Unprotected but respected for my own self
 'Cause of talent, no shade, or nothin' else A time of tension, racially fenced in
 I came off and all the brothers blessed him
 I left more than a mark, I left a dent
 'Cause I'm a product, of the environment Serch, skin is just a color of the mind and the soul
 And a brother ain't a brother if his heart is cold
 You know what I'm sayin' fellas? Word and I think we need a positive Kause in a much
 damaged society
 Word up man nubians killin' nubians, brothers just don't understand
 Word maybe it's some of that crime that's stoppin' the growin'
 The drug pollution and all needs to calm down Word man, cause that's what we need, we need
 Griff Productions
 We need a K.M.D. man to uplift the race and bring
 Kause in the beginnin' and a Posse called, 'Get Yours'
 Yeah there it is, to all y'all bigots who want us to bend
 We're just products of the environment, peace, hopefully There it is, black and white There it is,
 black and white
