

Water

ohGr

Gray no petals no introduction
Gray matter for intropection
Water making and breaking seeming fine Faith no martyr no resolution
Depth of water over our heads in
Breath restricted all suffocation Breath(x7) A trippy absolute
Eye tripping disease
No resolution
No auto save Crave it matters
No fixed solution
No path crossed aging desert
Senic fixture and fixing
Wonder why
Goal neglected
Greed for negation
Rights affected
Last stop salvation
World objective equalization CHOICE DECISION NO REAL DIVISION BACK
BURN SYSTEM Faith no martyr no resolution
Depth of water over our heads in
Breath restricted all suffocation Breath(x7)
A trippy absolute
Eye tripping disease
No resolution
No auto save
