Water

ohGr

Gray no petals no introduction
Gray matter for intropection
Water making and breaking seeming fineFaith no martyr no resolution
Depth of water over our heads in
Breath restricted all suffocationBreath(x7)A trippy absolute

Eye tripping disease No resolution

No auto saveCrave it matters

No fixed solution

No path crossed aging desert

Senic fixture and fixing

Wonder why

Goal neglected

Greed for negation

Rights affected

Last stop salvation

World objective equalizationCHOICEDECISIONNO REAL DIVISIONBACK

BURNSYSTEMFaith no martyr no resolution

Depth of water over our heads in

Breath restricted all suffocationBreath(x7)

A trippy absolute

Eye tripping disease

No resolution

No auto save
