

Dead or Alive

Oingo Boingo

There in the shadows, looks like a hand
Without its owner to give it a command
It's got a purpose but I don't know what it is
I'm in trouble There in the streets looks like a man
But something's wrong that I don't understand
His eyes are open but he don't see a thing
His skin is peeling off, his bones are sticking out, I'm getting scared Oh, my god

(Is it dead?)

Is it living?

(Is it dead?)

Is it dead or alive?

(Is it dead?)

Is it dead?

(Is it dead?)

Is it dead?

(Is it dead?)

Is it dead or alive? Hiding in the cupboards like little mice

Hiding in the refrigerator, that isn't nice

Now it's not an animal, it don't have legs

No one else can see it It moves so fast, corner of my eye

Look again it's gone, it's hiding

Won't somebody help me, doesn't anybody care?

It waits so patiently for me to lose my guard, I'm getting scared

Oh, my god

(Is it dead?)

Is it living?

(Is it dead?)

Is it dead or alive? (Is it dead?)

Is it dead?

(Is it dead?)

Is it dead?

(Is it dead?)

Is it dead or alive? Is it dead?

Is it dead, is it?

(Is it dead?)

Is it dead?

(Is it dead?)

Is it dead or alive? (Is it dead?)

Is it dead?

(Is it dead?)

Is it dead, is it? I remember there was a time

When dead and buried meant just that

Underneath the cold dark ground
Things stay put Oh, them bones
They make them bodies walk
Them bones, them bones
If they could only talk Oh, my god
(Is it dead?)
Is it living?
(Is it dead?)
Is it dead or alive? (Is it dead?)
Is it dead?
(Is it dead?)
Is it dead?
(Is it dead?)
Is it dead or alive? Is it dead?
Is it dead, is it?
(Is it dead?)
Is it dead?
(Is it dead?)
Is it dead or alive? (Is it dead?)
Is it dead?
(Is it dead?)
Is it dead, is it? Is it dead?
Is it dead, is it?
(Is it dead?)
Is it dead?
(Is it dead?)
Is it dead or alive? (Is it dead?)
Is it dead?
(Is it dead?) Is it dead?
Is it dead?
Is it dead?
Is it dead? Is it dead?
Is it dead?
Is it dead?
Is it dead?
Is it dead?
