

Pretty Boy (feat. Lil Yachty)

Joji

I'm a, I'm a, I'm a-I'm a-I'm a-I'm a (One, two, three, four)
I'm a?pretty boy livin'?on the West side
Livin' so loud,?you could never hear me cry
At night
See no tears run?down?my?eyes (Run down?my eyes)
Oh, these?hills they burn so bright (They burn so bright)
Oh, these hills they bring me life (Bring me life)
Oh, these hills, baby, oh, these hills, baby, mmm (I'm a-I'm a-I'm a-I'm a-I'm a)
I'm a pretty boy livin' on the West side
Poppin' blue pills and sippin' on finest wine (Brr)
No more fears and no more lies
I tell myself to sleep at night (Sleep at night)
Amongst these hills, baby (Oh, these hills baby)
Amongst these hills, baby...
