

Danny's Song

Josh Gallagher

People smile and tell me I'm the lucky one
And we've only just begun
Think I'm gonna have a son
He will be like she and me, as free as a dove
Conceived in love
Sun is gonna shine above And even though we ain't got money
I'm so in love with you, honey
And everything will bring a chain of love
And in the morning, when I rise
You bring a tear of joy to my eyes
And tell me everything is gonna be alright
Seems as though, a month ago, I was Beta-Chi
Never got high
Oh, I was a sorry guy
And now, I smile and face the girl that shares my name
Now I'm through with the game
This boy will never be the same And even though we ain't got money
I'm so in love with you, honey
And everything will bring a chain of love
And in the morning, when I rise
You bring a tear of joy to my eyes
And tell me everything is gonna be alright Now I see a family where there once was none
Now we've just begun
Yeah, we're gonna fly to the sun
And even though we ain't got money
I'm so in love with you, honey
And everything will bring a chain of love
And in the morning, when I rise
You bring a tear of joy to my eyes
And tell me everything is gonna be alright Love the girl who holds the world in a paper cup
Drink it up
Love her and she'll bring you luck
And if you find she helps your mind, better take her home
Don't you live alone
Try to earn what lovers own And even though we ain't got money
I'm so in love with you, honey
And everything will bring a chain of love
And in the morning, when I rise
You bring a tear of joy to my eyes
And tell me everything is gonna be alright And tell me everything is gonna be alright
