

Used to Ballin' (feat. TK Kravitz)

Young Scooter

[Chorus: TK Kravitz]

Girl I want to smash but that money callin'
Baby it's the truth that I got used to ballin'
Girl I want to smash but that money callin'
Baby it's the truth that I got used to ballin'

I got used to ballin', yeah

[Verse 1: Young Scooter]

Every day I ball, gotta get this guap
I'm always flexin', catch me ballin' on the opps
You leavin' one of ones, you are not a problem
I even dropped out the pussy 'cause the money callin'

My niggas shoot like Kyrie

Cocaine in my IV

Juggin' is a hobby

Bitch I'm the street lottery

Yeah I wanna smash but them bricks just came in

Every time I re-up cop a quarter million

Yeah my bitch asian but her hair Brazilian

I count a whole ticket when a nigga boring

[Chorus: TK Kravitz]

Girl I want to smash but that money callin'

Baby it's the truth that I got used to ballin'

Girl I want to smash but that money callin'

Baby it's the truth that I got used to ballin'

I got used to ballin', yeah [Verse 2: Young Scooter]

I can hear that money callin' a thousand miles away

I blew like ninety thousand gambling yesterday

I spend that shit and jugg that check up, nigga right back today

From the project hallways, I came a long way

Now I'm ballin' like LeBron

I re-up on the phone

You need a plug, I could put you on

But ain't no talkin' on the phone

Yeah I wanna smash but them pounds just came in

Let the top back, her hair blowin' in the wind

Scooter why you always flexin', bitch I came from nothin'

Black Amigo Scooter lit just like a stadium[Chorus: TK Kravitz]

Girl I want to smash but that money callin'

Baby it's the truth that I got used to ballin'

Girl I want to smash but that money callin'

Baby it's the truth that I got used to ballin'

I got used to ballin', yeah
