Stolen

Dashboard Confessional

We watch the season pull up its own stakes And catch the last weekend of the last week Before the gold and the glimmer have been replaced Another sun soaked season fades awayYou have stolen my heart You have stolen my heartInvitation only grand farewells Crash the best one of the best ones Clear liquor and cloudy eyed, too early to say goodnight You have stolen my heart You have stolen my heartAnd from the ballroom floor we are in celebration One good stretch before our hibernation Our dreams assured and we all will sleep well, sleep well Sleep well Sleep well Sleep well You have stolen (my) You have stolen (my) You have stolen my heart

I watch you spin around in your highest heels
You are the best one of the best ones
We all look like we feel
You have stolen my
You have stolen my
You have stolen my heart
