

# In Your Head

## Mohombi

She's waiting for her man to go to work  
Then calls me on the phone saying he's such a jerk  
I feel like a thief in the day and a thief in the night  
But it's just a fight  
Why, why, why don't he treat you right  
He should be the one to apologise  
We're going upstairs, get away from the past  
Then the phone rings I hear your husband ask  
Is someone in the back, who's that who's that who's that who's that  
In your head  
In your head  
Mohombi  
Mohombi  
Mohombi  
Who's in your head  
In your head  
Mohombi  
Mohombi  
MohombiHe ain't falling for your lies  
He got a private eye  
But I pass him in the sky  
He's tryna look through your blinds  
What is your report to your man  
Is he really should have listened while he had that chance  
You told him what you like and what you hate  
And now I stole your heart and it's way too late  
You really really didn't have the business  
Now i'm all up all up all up in your business  
Now you know who this is  
Fulfilling all your wishesIn your head  
In your head  
Mohombi  
Mohombi  
Mohombi  
Who's in your head  
In your head  
Mohombi  
Mohombi  
MohombiJust say my name right  
Just say my name right  
I feel your pain right  
I feel your pain rightTold the girl to be quiet, quiet

If they hear your voice they'll be a riot, riot  
Your man's outside with them dudes waiting for me  
But I'm gonna stay appeased  
If they wanna wait all day  
All day gonna hear what I play  
Boom boom boom from the bedroom  
Grab your girl and zoom zoom zoom In your head  
In your head  
Mohombi  
Mohombi  
Mohombi  
Who's in your head  
In your head  
Mohombi  
Mohombi  
Mohombi Who's in your head  
In your head  
Mohombi  
Mohombi  
Mohombi  
Who's in your head  
In your head  
Mohombi  
Mohombi  
Mohombi
